Shul Announcements

Seudas Shlishis this week is being sponsored by Dr. Moshe Kranzler in memory of his mother, Chana bas Horav Gershon, and Jack Gross in memory of his father, Boruch Bendit Ben Harav Meir Gross.

Many thanks to Rabbi Yisroel Gottlieb and Dr. Yehuda Eliezri for their erudite presentations during the all-night **Shevous learning** program which was enjoyed by the many members and friends who attended. Thanks also to the Bruno, Manny and Abe Frankel families for decorating our shul with beautiful **Shavuos flowers**.

We are pleased to announce a new morning **Yerushalmi shiur** by Mordechai Rudman: Gemara Brochos Yerushalmi, Monday through Friday at 7 a.m. beginning this Tuesday, May 29th. Everyone is welcome to join the shiur.

Bais Torah will be honoring this year's graduates at its **Annual Graduation Shabbos** on June 16th. Anyone who would like to be included in the celebration and listed in the scroll of honor should contact Felise Katz at felisek@gmail.com. A share in the graduation kiddush costs only \$50.

Our Sisterhood's Bais Torah Players are hard at work practicing for the **Annual Simcha Tea on June 16th**. But to make the Simcha Tea a success, we need your help. If you have a kallah or bas mitzvah in your family, we would like to honor her. Please send her bio in writing to Sharon Kronenberg at 2 Misty Lane, Suffern, NY 10901, e-mail her at mkron1950@gmail.com or fax to 845-368-1074.

We're pleased to announce that the **Sefer Torah written in memory of Rebbetzin Jackie Wein a"h** is nearly complete. The Hachnosas Sefer Torah is planned for October 14th. If you would like to dedicate either the Atzei Chaim or Mantel, please contact Michael Kronenberg at mkron@optonline.net.

Are you aware that Bais Torah has a fully stocked **Torah Cassette Library**? This Torah Audio Library, which is located in the back of the main hallway, is open to the entire Monsey community. You can borrow cassettes by visiting the shul and speaking with Rabbi Gottlieb, Yis Helprin, Doniel Cohen, or Jonathan Rosenstock.

Shabbat Parashat Naso – 5767

Memorial for Dora Helprin

This week's parshah begins with the words, "Naso es rosh..."- literally "raise up the head," but figuratively, to "give honor." It is a pleasure to give a loving son the opportunity to give honor to his mother, A"H, who was beloved to the entire congregation. Below is a capsule summary by Yisroel of the "hesped" he delivered in Eretz Yisrael in honor of his mother:

It is so hard to describe someone you loved so much and you looked up to all your life. What can I say in a few minutes of someone with 93 years of life!! I jotted down a few key words that tell us about Mom. An accomplished woman, totally grateful to anyone and everyone. Always with a positive attitude. Teacher par excellence. Used her potential to the fullest. Loved people and wasn't afraid to tell someone about how she felt. Loved life even though she struggled for most of it. Loved going to shul and being totally involved in all aspects of shul activities. The shul became a source of her life. She loved "Eretz Yisrael" and "Am Yisrael" so much that she named me after the State. Therefore, she so very much wanted to be buried in the "Eretz HaKedoshah."

There was no rivalry or favoritism between my only sister and me. Her mantra was "Tsu Gott un tsu leit," "Behave in a manner pleasing to G-d and pleasing to People" – which she drilled into us and made us understand. She made friends easily but chose her **Best Friends** carefully. She was a strict disciplinarian, but showed it with love. She showed us the "Derech Yesharah," "the Proper Path," and we followed it.

Bais Torah was very much part of her life. She loved coming to shul to hear the "Shabbos Deroshoh," the "Shabbos Sermon." She loved commenting about it both positive and... She loved greeting the people in shul and being greeted. She got praise and gave praise. She enjoyed the compliments and embraced each word. She always commented how caring everyone was to her and looked forward to each Shabbos for more. She was especially grateful to those who took time out of their lives to visit and do Gemilas Chesed. She loved to hear her son daven and say "That's my son." It gave her so much pleasure and she wanted so little in return. I am proud to say, "She was my mother," and I have a long way to go to reach the heights she did.

"Sh' yitzror bitzror Ha-Chayim es nishmosoh" – "May HaShem bind her soul in the bond of life."

Thank you, Bais Torah.

Yisroel Helprin
